**CONSENT FOR TREATMENT & INSURANCE CLAIM SIGNATURE/ FINANCIAL RESPONSIBILITY**

1. I hereby authorize doctor or designated staff to take x-rays, study models, photographs, and other diagnostic aids deemed appropriate by doctor to make a thorough diagnosis of *(name of patient)* \_\_\_\_\_ dental needs.
2. Upon such diagnosis, I authorize doctor to perform all recommended treatment mutually agreed upon by me and to employ such assistance as required to provide proper care.
3. I agree to the use of anesthetics, sedatives and other medication as necessary. I fully understand that using anesthetic agents embodies certain risks.
4. I understand that I can ask for a complete recital of any possible complications.
5. I give consent to the doctor's or designated staff's use and disclosure of any oral, written or electronic health records that are individually identifiable as mine for the purpose of carrying out my treatment, payment and health care operations. I understand that only the minimum amount of information necessary to provide quality care will be used or disclosed and that a notice fully outlining the protection of my personal health information is available.
6. We assume that any person delivering a minor for treatment is considered by you to be an authorized representative and a **legal adult** who can consent to treatment and receive private health information for your child in your absence. We request the representative be on premises during treatment time. The Healthy Smile Center prefers to discuss any changes to treatment with a parent or authorized representative before proceeding.
7. I agree to be responsible for all charges for dental services and materials not paid by my dental benefit plan, unless prohibited by law, or the treating dentist or dental practice has a contractual agreement with my plan prohibiting all or a portion of such charges. To the extent permitted by law, I consent to your use and disclosure of my protected health information to carry out payment activities in connection with all claims.
8. I hereby authorize and direct payment of the dental benefits otherwise payable to me, directly to The Healthy Smile Center.

# I. The Healthy Smile Center and Your Insurance Plan & How They Work Together

## DO YOU ACCEPT MY INSURANCE? HOW MUCH WILL THEY PAY?

We currently accept most private care insurance plans (plans that do not require you to select a dentist from a list or require our office to accept a reduced fee for services.) Although we maintain computerized histories of payment by a given company, they do change, therefore it is impossible to give you a guaranteed quote at the time of service. We estimate your portion based on the most up-to-date information we have, but it is, **ONLY AN ESTIMATE**. If you would like a closer estimate of your insurance benefit we will be happy to file a pre-treatment estimate with your insurance company prior to treatment. This does delay treatment but will give you a closer estimate of your out of pocket costs. **\*\*Please inform us if you would like us to submit a pre-treatment estimate.\*\***

## I THOUGHT I PAID MY PORTION, BUT I HAVE A BALANCE. WHY?

We base the patient portion of your bill on our most current data, but there are many factors that can affect this estimate. There may be a deductible (individual or family) or you may have received treatment in another office prior to joining our office, which is not calculated into our database. Sometimes you may need to see a specialist for care, which also uses your annual benefit. **Occasionally, exclusions may apply to your insurance plan of which we have not been informed.** Insurance companies do not notify us of changes to your benefits.

## INSURANCE DIDN'T PAY, NOW WHAT?

We bill your insurance as a courtesy. If insurance does not pay within 90 days, The Healthy Smile Center reserves the right to request payment in full for services from you and let you collect the insurance funds that are due to you. This is rare, but it is important that you recognize the insurance you have as a legal contract between YOU and your insurance company. Our office is not and cannot be a part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

## FINANCIAL OPTIONS

The Healthy Smile Center does request payment in full for your *estimated* portion at the time of service. We accept cash, checks, MasterCard, VISA, Discover and American Express. If you are in need of an extended finance option, we also work with CareCredit who offers, upon approval, up to twelve months deferred interest. Extended payment plans are also available, if you have questions or require additional information, please ask a Patient Service Staff member.

**We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please don't hesitate to ask one of our staff members.**

# II. Authorization and Consent To Send Unencrypted Patient Information via Secure Email

I authorize The Healthy Smile Center to transmit patient information relating to my treatment, health or payment by email or other electronic means, to me or someone I designate or to other health care providers, health plans and others involved in my treatment, payment for my treatment or The Healthy Smile Center's health care operations. The patient information that may be emailed may include my x-rays, health history, diagnosis, treatment and payment records.

## I understand that:

- The Healthy Smile Center does not email such sensitive personal information such as Social Security number, credit card number, mental health diagnosis, genetic information, alcohol/substance abuse or positive HIV status unless the patient insists.
- My treatment, payment, enrollment and eligibility for benefits will not be affected by my decision about signing this form.
- If I don't sign this form, The Healthy Smile Center may use other ways to send my information such as U.S. Mail or may ask me to send my information to third parties myself.
- I do not have to sign this form.
- There is a minimal risk that emails and other electronic messages may be improperly acquired by hackers or received by unintended recipients. If that happens, the information may be re-disclosed and no longer protected by privacy law.
- I can tell you in writing to stop emailing my patient information at any time, and if I do so, this will not affect emails that The Healthy Smile Center already sent before receiving my written instructions to stop.

**By signing below I am confirming that I have read and understand sections I. and II.**

### IV. The Epworth Sleepiness Scale

The Epworth Sleepiness Scale (ESS) was developed and validated by Dr. Murray Johns of Melbourne, Australia. It is a simple, self-administered questionnaire—widely used by sleep professionals in quantifying the level of daytime sleepiness. (Johns MW. A new method for measuring daytime sleepiness: The Epworth Sleepiness Scale. Sleep 1991; 14 (6):540-5)

How likely are you to doze off or fall asleep in the following situations, in contrast to feeling 'just tired'? This refers to your usual way of life at present and in the recent past. Even if you have not done some of these things recently, try to work out how they would have affected you.

**Use the following scale to choose the most appropriate number for each situation.**  
**0 = would never doze • 1 = slight chance of dozing • 2 = moderate chance of dozing • 3 = high chance of dozing**
